subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed	
or adopted after August 28, 2012, shall be invalid and void.	
320.408. 1. One of the following requirements shall be fulfilled in order to obtain a	
certificate of registration from the state fire marshal:	
(1) The applicant shall employ or contract with a person with a bachelors of science	
degree in fire protection engineering from an accredited university, from which the employee shall	
have received training in design, planning, and installation of fire sprinkler systems, or such	
employee shall be a professional engineer licensed in the state of Missouri;	
(2) The applicant shall employ or contract with a person with a NICET Level IV	
certification in the automatic sprinkler system layout subfield demonstrating the certified person	
has received training in design, planning, and installation of fire sprinkler systems; or	
(3) The applicant shall employ or contract with a person with a NICET Level III	
certification in the automatic sprinkler system layout subfield demonstrating the certified person	
has received training in design, planning, and installation of fire sprinkler systems.	
2. Any organization that holds a certificate of registration in this state under sections	
320.400 to 320.416 may use the title "Missouri state certified fire sprinkler contractor". No other	
person or organization may use the title "Missouri state certified fire sprinkler contractor". No	
other person or organization shall assume any title or use any abbreviation or any other words,	
letters, signs, or devices to indicate that the person or organization using the same is a Missouri	
state certified fire sprinkler contractor.	
3. A certificate of registration shall be valid for a period of two years from the date of	
issue and is renewable biennially on payment of a fee; provided however, that the initial	
certificates of registration issued on or after August 28, 2012, may be issued for periods of less	
than two years and the fee shall be prorated proportionally.	
4. A fee shall be charged by the state fire marshal for any request for a duplicate	
certificate of registration or any request requiring change to a certificate of registration. The fee	
shall be set by the fire marshal.	
5. Each contractor holding itself out as a "Missouri state certified fire sprinkler contractor"	
shall display its certificate of registration issued under sections 320.400 to 320.416 in a	
conspicuous place in the contractor's place of business.	
6. Plans, bids, proposals, offers, and installation drawings for fire sprinkler systems may	
display the contractor's certificate of registration number.	
7. A certificate of registration issued under sections 320.400 to 320.416 shall not be	
transferable.	
8. There is hereby created in the state treasury the "Fire Sprinkler Contractor Registration	
Fund", which shall consist of money collected under sections 320.400 to 320.416. The state	

1	treasurer shall be custodian of the fund and may approve disbursements from the fund in		
2	accordance with sections 30.170 and 30.180. Upon appropriation, money in the fund shall be		
3	used solely for the administration of sections 320.400 to 320.416. Any money remaining in the		
4	fund at the end of the biennium shall revert to the credit of the general revenue fund. The state		
5	treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any		
5	interest and moneys earned on such investments shall be credited to the fund.		
7	320.410. 1. As provided in subsection 3 of section 320.408, each renewal of a certificate		
3	of registration issued under sections 320.400 to 320.416 is valid for a period of two years. The		
)	certificate of registration fee is payable on renewal.		
)	2. At least thirty days before the expiration of a certificate of registration, the state fire		
-	marshal shall send written notice of the impending certificate of registration expiration to the		
2	registrant at the last known address.		
3	3. The state fire marshal may, by rule, adopt a system under which certificates of		
	registration expire on various dates during the year. When the certificate of registration expiration		
	date is less than two years from its issuance or anniversary date, the fee shall be prorated on a		
)	monthly basis so that each registrant shall pay only that portion of the fee that is allocable to the		
•	number of months during which the registration is valid. On each subsequent renewal, the total		
	renewal fee is payable.		
	320.412. The state fire marshal shall not issue a certificate of registration under sections		
)	320.400 to 320.416 unless the applicant files evidence of a general liability insurance policy that		
	includes products and completed operations coverage. The limits of insurance coverage required		
2	by this section shall be in an amount not less than one million dollars aggregate for all occurrences		
}	per policy year. The general liability policy shall be conditioned to pay on behalf of the insured		
	those amounts that the insured is legally obligated to pay as damages because of bodily injury and		
;	property damage caused by an occurrence involving the insured or the insured's servant, officer,		
)	agent, or employee in the conduct of any business registered under sections 320.400 to 320.416.		
	320.414. 1. The state fire marshal may refuse to issue any certificate of registration or		
	renew any certificate of registration required by one or any provisions of sections 320.400 to		
)	320.416 for one or any combination of reasons stated in subsection 2 of this section. The state fire		
	marshal shall notify the applicant in writing of the reasons for the refusal and shall advise the		
	applicant of the right to file a complaint with the administrative hearing commission as provided		
	in chapter 621.		
	2. The state fire marshal may cause a complaint to be filed with the administrative hearing		
	commission as provided in chapter 621 against the holder of any certificate of registration		
	required by sections 320.400 to 320.416 or for any one or any combination of the following		
	<u>causes:</u>

(1) Use of fraud, deception, misrepresentation, or bribery in securing a certificate issued		
pursuant to the provisions of sections 320.400 to 320.416;		
(2) Impersonation of any organization holding a certificate or allowing any person or		
organization to use his or her certificate;		
(3) Disciplinary action against the holder of a certificate by another state, territory, federal		
agency, or country upon grounds for which revocation or suspension is authorized in this state;		
(4) Issuance of a certificate based upon a material mistake of fact;		
(5) The person or organization has been finally adjudicated and found guilty, or entered a		
plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the		
United States, for any offense reasonably related to the qualifications, functions, or duties of any		
profession regulated under sections 320.400 to 320.416, for any offense an essential element of		
which is fraud, dishonesty or an act of violence, or for any offense involving moral turpitude,		
whether or not sentence is imposed;		
(6) Incompetence, misconduct, gross negligence, fraud, misrepresentation, or dishonesty		
in the performance of the functions or duties of the profession that is regulated by sections		
320.400 to 320.416;		
(7) Violation of, or assisting or enabling any person or organization to violate, any		
provision of sections 320.400 to 320.416, or any lawful rule or regulation adopted pursuant to		
such sections;		
(8) A person is finally adjudged insane or incompetent by a court of competent		
jurisdiction;		
(9) Operating without at least one million dollars in liability insurance coverage.		
3. After the filing of a complaint pursuant to subsection 2 of this section, the proceedings		
shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the		
administrative hearing commission that the grounds, provided in subsection 2 of this section, for		
disciplinary action are met, the state fire marshal may, singly or in combination, censure or place		
the person or organization named in the complaint on probation on such terms and conditions as		
the state fire marshal deems appropriate for a period not to exceed five years, or may suspend, for		
a period not to exceed three years, or revoke the certificate of registration of the person or		
organization. An individual whose certificate of registration has been revoked shall wait three		
years from the date of revocation to apply for another certificate. Certification shall be at the		
discretion of the state fire marshal after compliance with all requirements of sections 320.400 to		
320.416 relative to the certification of an applicant for the first time.		
4. The state fire marshal shall maintain an information file containing each complaint		
filed with the state fire marshal relating to a holder of a certificate of registration.
